

Technology Survey for Village of Thornton Residents

We are very excited at Wolcott School to announce that technology workshops will be available on a monthly basis for the residents of Thornton and other members of our school community. These workshops will be held on the second Monday of each month with the exception of October when the workshop will be held on the second Tuesday to accommodate the Columbus Day holiday. The workshops will be held at Wolcott School from 4:30-6:00 P.M. In order to better plan for these workshops we need some information from those interested in participating in the workshops. Please take a moment to answer the following questions:
